C.No.57152-H/51

Sir,

Sub: Medical institutions - Government Headquarters Hospital, Mangalore - South Kanara Dt. - Housing of the Indian Medical Association, South Kanara Branch, and membership of the President on the Advisory Committee.

Copy to the D.M.S.(w.r.t. his letter R.122027-W/51, dated 10-3-52) p.l c.f.

Ref: Your letter No.42/51-52, d/16-11-1951.

The Indian Medical Association, South Kanara Branch, have requested the Govt. to allow suitable accommodation in the new buildings of the District Headquarters Hospital, Mangalore, for the District Branch of the Indian Medical Association for its activities. The Government have not accepted any liability or obligation to provide accommodation for the Indian Medical Association either in the Hospitals or in other Govt. buildings at their disposal. The District Medical Officers in some districts have been allowing the local branch of the Indian Medical Association to hold their meetings in the hospitals when such meetings could be arranged without prejudice to the work in the hospital ~~or institution~~ concerned. While there is no objection to such informal arrangements being continued the Govt. cannot accept such consent by their local officers as imposing any obligation on them to provide accommodation for the Association to carry on its activities. It is therefore regretted that they are unable to comply with the request of the Association.

2. The Association has also made a request that the President of the Association should be nominated a member of the Advisory Committee of the District Headquarters Hospital, Mangalore. The non-official members of the Advisory Committees are appointed by name, and not with reference to any office held by them, for a term of three years ordinarily unless the Govt. specify otherwise in their order nominating

the members. The Govt. regret that it is not possible to comply with the request of the Association in the form in which it has been placed before them. But they observe that there is a provision in the rules for the nomination of ~~the~~ non-official members, ~~preferably a lady~~ for nominating and a public spirited person representing the Medical Association or a member of the independent medical profession.

Sub: Buildings - Govt.Headquarters Hl.Mangalore (new buildings) - Housing of the Indian Medl. Assn.

Please see the letter from the Hony.Secy., of the South Kanara Branch of the Indian Medical Assn., Mangalore on page 1 c.f. requesting Govt. to make suitable arrangements in the new buildings of the Govt.H.Q.Hl.Mangalore for housing the Assn.

2. The building work of the Govt.H.Q.Hl.Mangalore is spread over a period of five years from 1951-56 and the work in the hospital has been started only just now. In another file regarding the Govt.H.Q.Hl. Kozhikode, the D.M.O. Malabar has stated that in his view, having an Association hall within the hospital compound is not conducive to the proper administration of the hospital and there have been instances in the past and even now of interference by the officer bearers with the internal administration of the hospital." ~~Further~~ The Govt. are not expected to provide accommodation for the Assn.

being handed.

~~In the above circumstances, no action seems~~ necessary on the request of the South Kanara Branch of the Indian Medl.Assn., and the papers may be lodged. The Assn. has also sent a copy of their resolution to the D.H.S. Thro' the D.M.O. ~~South Kanara~~. For orders whether the Hon Secy may be given a suitable reply or whether the DHS may be consulted.
